

## Digital Editions Community Meeting at UZH

**June 12, 2025, 16:30 – 18:00**

**KOL-G-212 EV, Rämistrasse 71, 8006 Zurich**

Over the past year, several new digital edition projects have been launched at UZH. At the same time, long-standing projects have successfully secured project extensions. This event offers an opportunity for informal exchange between new and established projects and provides insights into current projects and initiatives from the ZDE.

Please register by **June 4**, 2025, for organizational purposes:
